

Bradleys Both Community Primary School

Friday 19th April 2024

Dear Children, Parents and Staff,

It has been a rather mixed week of weather but in between the downpours and hail we have had a few bright and sunny parts of the week where it has been great to see our outside learning environment start to come back to life. We received notification of a full intake of 19 new EYFS Reception children who will be joining the Bradleys Both school family in September. We look forward to welcoming our new children and families to our school and will be in touch to share transition arrangements with them in the coming weeks. Thank you to the many parent ambassadors who have recommended Bradleys Both to your friends, neighbours and relatives.

Polar Class 3

I had the pleasure of working with the children from Polar Class 3 on Wednesday afternoon. The children investigated images of Neolithic pottery found by archaeologists and then explored making their own coil, thumb and slab clay pots. They were very proud of their finished projects.

Year 1 & Year 2 Skipton Tennis Centre Golden Ticket

The team at Skipton Tennis Centre are on a mission to try and get 100 Year 1's and 2's to try Tennis during this summer term. Tennis and the skills that come with it are great for improving a child's fundamental movement and co-ordination. Skipton Tennis Centre have a huge emphasis on building confidence and making families feel part of a great community. Look out for your email being sent home with your **Golden ticket** aimed at any Year 1 or 2 child and giving them 2 completely **FREE** sessions at Skipton Tennis Centre.

Summer Term University of Bradley

We held the first week of our NEW Summer term University of Bradley modules today. It has been good to freshen up our module choices this term. The children have given their preferences from this term's choices and groups have been arranged by giving the children either their first or second choice module. This term the children have chosen from: Short Tennis, working with Jonny Moore, our resident sports coach from Skipton Tennis Centre, Our Outside Area, Circus Times, Fashion Accessories, Pizza Enterprise, Let's Get Creative and Lego Projects. The children are working in mixed year group learning activities as a reward for approaching daily school positively. We all enjoy our Friday afternoons at Bradleys Both!

Condition Improvement Fund (CIF) Success for Bradleys Both

I am pleased to inform you that following a joint application by school and YCAT we have been notified that we have been successful in being awarded additional funding to use on our school building. The funding is provided by the DfE to help maintain and improve the condition of school buildings. Governors and leaders have always been keen to look after our aging school buildings to sustain them for the future. Work is currently being planned to be carried out during the school Summer holidays. We will update you once the work has been completed and look forward to sharing the improvements with you.

School Council 'Family Bingo for Books'

The School Council and Staff Team will be holding an after school fundraising event for new reading books. The event is planned to take place on Thursday 23rd May starting at 3.45pm until 5.45pm in the school Hall. Family tickets will be available on the evening and there will be a selection of fun prizes to be won. A flyer has been sent home with further details. Do please save the date, come along, and join the fun together with your family.

YCAT Parent Training Opportunity

Our school SENDCo, Claire Ashton will be running two online training sessions for parents on **Wednesday 24th April 2024** focused on 'How to support your child with Math's difficulties at home'. The training will be delivered online via Zoom from **1.00pm to 1.30pm** and then repeated at **4.00pm to 4.30pm**. Please see links below:

Wednesday 24th April 1pm – 2pm
