

This last term is always a busy one but also lots of fun. Assessments will be taking place towards the end of the year to help evidence the progress your child has made over the year. As always, please get in touch if you have any questions.

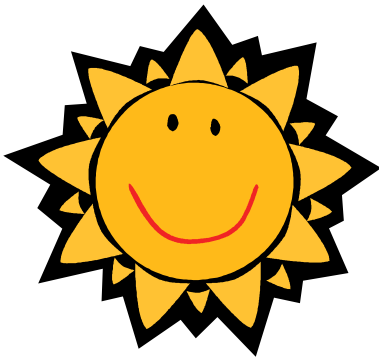

There's lots going on in PE this term. During the first half term, we will be working on invasion games including basketball and football. We will also play team games and recognise the importance of working together. After the half term, athletics and Sports Day practice will be our themes.

During the first half term we will be learning about South Africa. We will learn about their culture and traditions and what it might be like to live there. We will compare Bradley to Cape Town and other places in South Africa. In the second half term we will learn about significant sportspeople, including local athletes who have competed in the Olympics.

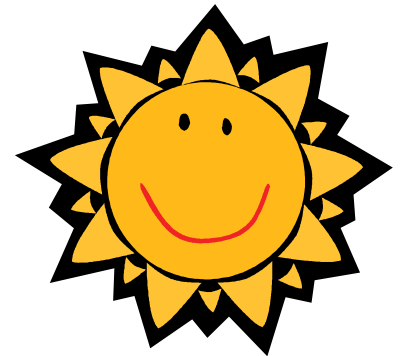

In R.E., the first half of the term will see us listening to stories from sacred books.

The second half term we will learn a bit more about different religions.

Our IT lessons will again be using the Chrome Books. We will be programming, learning about algorithms and debugging during the term. We will even have a go at stop motion.

Summer Term in Rainforest Class

We will start by learning about citizenship in PSHE before moving onto economic wellbeing, with a focus on money after half term.

In Music we will learn about different instruments and symbols. We will listen to pieces of music and learn how to appraise.

In English this first half term we will be looking at Stories from Other Cultures, Explanation Texts and Poetry. In the second half term we will be looking at Letters and Postcards and Stories by the same author. Some of our writing will link with other areas of our curriculum too.

In Science we are starting the term looking at animals, recognising differences and similarities. We will then move onto plants; identifying what they need to grow, where they grow and identifying common flowers and trees.

Our DT this half term will link to our learning about South Africa. We will be weaving, creating sunset pictures and making masks to name a few activities. In Art we will be looking at landscapes, cityscapes and seascapes and learning about different artists such as David Hockney and Van Gogh.
