

# Bradleys Both Community Primary School

## Friday 19<sup>th</sup> July 2024

Dear Children, Parents and Staff,

Thank you everyone for your hard work and support with our Summer Fair on Tuesday afternoon. Once again, wet North Yorkshire weather impacted our plans, but it didn't dampen our spirits. With all your support and generosity, we managed to raise £765.25! Well done everyone!

This week we have squeezed so much into the last week with Year 6 Bikeability, Library Challenge Assembly, Summer Fair, Special Leaver's Lunch, Enterprise Project, Leavers Celebration Assembly ... this could explain why everyone is feeling ready for their Summer holiday!

### Year 5 & Year 6 Residential

Our Year 5 and 6 children returned from Marrick Priory Residential Centre on Sunday after three days of fun and personal challenge. A huge THANK YOU to Mrs Bousfield, Miss Fawcett and Miss Wright for giving up their weekend to accompany the residential and look after the children. I have heard tales of individual bravery, personal resilience and all about their ice cream parlour visit.

### Year 6 Leavers

Today we say farewell to our 19 Year 6s and some of our long-standing families with their last child leaving primary school today. I always say that it is a privilege to share in your children's first steps of learning as they start primary school and can remember 14 of the children starting in Reception all those years ago. It has been lovely to welcome other children to Bradleys Both over the years and see how all of the children have developed and progressed to become who they are today. We are sending the children off to their secondary schools with increased confidence and abilities, knowing that aspect of strength and that aspect they will continue to have to work hard towards.

To all the amazing Year 6 children ... Thank you for being such fantastic members of our school family. Please remember to carry on working hard and enjoy all those new and exciting opportunities and experiences ahead of you. Wishing you every success in all that you do.

### Year 6 Enterprise Project

The Year 6 children have worked really hard as Teams to run their own businesses. They researched, planned, costed, budgeted, made and marketed their own products and then sold them to the rest of the school on Wednesday afternoon. It was great to see how the rest of the school supported the children by bringing in their spending money. The winning team who made the most profit and performed the best as a team were;

The Enterprise profit will be spent on a gift for the rest of the school. The Enterprise Project has been a fantastic way to use the curriculum to teach our children about economic wellbeing and teamwork. I think we may have a few Lord sugar's amongst us!

The total final profit was an amazing **£458.29**. WOW Year 6! This is the best profit on record. The winning Team was announced as Percy, Will, Aran and Alfie T who made then most profit and were selling, Paracord Key Chains and Lucky Dip. Well done Year 6!

### Summer Library Reading Challenge

Helen from North Yorkshire Library Service visited school this week to introduce everyone at Bradleys Both to this year's Summer Reading Challenge. This summer the theme for reading is 'Marvellous Makers' and the children are encouraged to read six books from libraries over the holidays. The challenge is completely free to join in with and further details can be found on the following video link:

The children will receive certificates and medals for completing the challenges and can collect these from their local library. Do check out the special children's events being held at your local library during the six weeks holiday. Good luck with joining in the challenge and enjoy your summer of reading fun!

Our new EYFS Reception children have two settling in visits on either Wednesday 4<sup>th</sup> September or Thursday 5<sup>th</sup> September and everyone together on Friday 6<sup>th</sup> September.
