Friday News
20th September 2024

Dear Children, Parents and Staff,

This week I was lucky enough to spend the afternoon teaching Ocean Class 1. It was great to join the class and see how our new Reception children are settling into school. Mrs Sargeant asked me to teach a PE lesson and we finished the afternoon with some circle activities to find out why we are all special. The children seemed to enjoy our PE activities and were very good at listening and following instructions, especially when we played the Bean game. During our circle time activity every child was brave enough to share their ideas and talk about themselves, taking turns to talk and listen. I will look forward to joining Class 1 again in the near future.

Please NAME your uniform

Please can we ask for your help to ensure that your children's items of school uniform and PE kit are all clearly named. It is so easy to return items to individuals when they are found and have a name in them. We already seem to have a collection of lost property and it is only week 3! We will be encouraging the children to look after their belongings and support them with this. Please re-name any second-hand items you have received from our Pre-Loved Uniform - otherwise I spend days looking for children who left school three years ago!! Thank you

Bradleys Running Club

Mr Pearson, Miss Fawcett and Mrs Sargeant started our after school running club on Monday for the Key Stage 2 children. The club runs from 3.30 until 4.30pm and it was great to see 26 children join the club for this half term. The staff area always grateful to any parents who are keen and able to join the club as additional adults to support the run. We will announce a 'Runner of the Week' each Friday for someone who has shown resilience with their running or for their achievements during the club.

Staffing

This term we have welcomed Mrs Rebecca Harper-Johnson to the Bradleys Both staff team. Mrs Johnson (as she will be known to the children) is our new Higher Level Teaching Assistant and will be working on Wednesdays across all classes over the school term. We are really pleased to have recruited Mrs Johnson.

You may have seen that we are currently looking to recruit another Advanced Teaching Assistant to join the team to work in Key Stage 2. Further details are available from the school office.

Dates for your diaries

You can find our school's term dates for 2024-2025 by following this link to our school website:
<https://www.bradleysbothcpschool.org.uk/parents/term-dates/>
