

Rainforest Class 2 Autumn Term 1 Update

Everyone has been working hard this half term to settle into our routines, and it's been a busy few weeks that's for sure!

We've based lots of our English work on Traditional Tales. We started the term with Little Red Riding Hood and now we've ended it with Jack and the Bean Stalk. We've described characters and even written our own versions of the stories too! We made time for instruction writing and enjoyed following instructions to make flapjacks. Poetry has also featured in our English lessons with us learning The Owl and the Pussy Cat and creating our own rhyming poem using Down Behind the Dustbin by Michael Rosen. We used our knowledge of rhymes to play and complete a game of rhyming dominoes!

In Maths we've done lots of work on place value and have started to look at addition. Year 1s have been consolidating their knowledge of numbers within 10 whereas Year 2 children have been working within 100.

We had lots of fun at Sandylands developing our basic skills in PE. We were jumping, throwing, catching and working as a team. It was lovely having the Year 1 children from Class 1 join us too.

We have been learning about our bodies in Science and we enjoyed creating our own skeletons using white straws.

Our Healthy Eating Food Technology lessons culminated with us making sandwiches. We chose our fillings and added salad to our sandwiches too. I think we enjoyed eating them more than we enjoyed making them!
