

Bradleys Both Community Primary School

Friday News

14th February 2025

Dear Children, Parents and Staff,

Happy Valentines Day everyone! Thank you to those of you who donated cakes for the Friends cake sale this afternoon. We hope you picked up your treats for the weekend!

Garden Produce

Miss Wright's University Gardening group harvested the homegrown brussel sprouts and cabbages from our school garden. The children took the brussel sprouts home and shared the cabbage with our school cook, Scott. On Thursday Scott served our homegrown school cabbage with our roast chicken school lunch.

Safer Internet Day

We started this week talking about Safer Internet Day during our Monday morning assembly. It was pleasing to hear about the many different 'rules' that the children have for using their electronic devices when at home. The children were able to share strategies they have for staying safe outside of school. The children once again demonstrated a fantastic awareness and understanding of their own safeguarding and remembered that their parents and staff at school were adults they should report any worries to. The children confidently named Miss Fawcett as our Safeguarding Lifeguard of DSL (Designated Safeguarding Lead)

Safer Internet Assembly

We welcomed PCSO Ruth Pearson to school on Tuesday morning to lead a special assembly on reminding us all to stay safe when using the internet. The World Wide Web is an amazing resource to use but one that requires us all to protect ourselves. It was very positive to hear many of our children talk about the ways they stay safe when online and using technology.

School Improvement Visit

It was a pleasure to welcome Mrs Jo Robinson, CEO at YCAT to Bradleys Both on Tuesday to carry out her half termly school improvement visit with me. Mrs Robinson spent the morning in school reviewing our next steps and joined the Year 2 phonics session. Mrs Robinson met and talked to a range of children at lunchtime in addition to seeing YCATing in action in the hall. I was pleased to share our school's ongoing attendance figures with Mrs Robinson and talk through the progress we have made so far with this year's school improvement plan.

The staff team will be joining staff from the other YCAT schools on Monday 24th February at a joint training inset day. The focus for our training on this day will be the use of White Rose Maths scheme and we have trainers coming to work with staff from EYFS, Key Stage 1 and Key Stage 2.

Important Dates for your diaries

Spring Term 2025

14.2.2025	Break up for Half Term
24.2.2025	YCAT Staff Joint Training Inset Day
25.2.2025	Children return to school
