

Welcome to Rainforest Class 2!
I hope your child will enjoy their time in Class Two who will be taught by Miss Wright and assisted by Miss Tulley, Miss Exley and Miss McEnerney at different times. If you have any questions, please do not hesitate to contact me using my class email address
class2@bradleysboth.n-yorks.sch.uk

P.E. days will be on a Tuesday and Wednesday. On a Tuesday, if the weather is good we will be outside developing different skills. If the weather is bad we will be inside continuing to work on our different skills. On Wednesdays we will be in the hall and working on Gymnastics. After half term we will also be dancing with Miss Exley!

Science this half term is all about ourselves. We will learn about parts of our body and how we change from being a baby to being an elderly person. After half term we will move onto learning about the seasons. We will think about how the weather changes between Autumn and Winter and other changes we might see in the world around us.

Reading will continue as it did last year. Children will read in school Monday, Tuesday and Wednesday focusing on different skills each day. They will then bring their book home to share with you in the same way. Please feel free to read any other texts at home too, we want to develop a love for reading.

Autumn Term in Class Two

Miss Tulley will be teaching us Design and Technology this year. We are starting by looking at different puppets and we will be making our own hand puppet.

We're starting R.E. with thinking about what it means to belong to a community. We will explore different communities and faiths and think about the importance of belonging. After half term we will be looking at how and why we celebrate.

Spellings will be sent home weekly each Monday and will be tested the following Monday. Please help your child to try and learn these.

After half term we will move from Design and Technology to Art, again with Miss Garrett. We will be looking at religious art and we will have a go at making our own Rangoli patterns and stain glass windows to name a few.

Our Library day will be a Monday. Children will bring 2 books home, they might be books for you to read to them or ones they can read themselves.

In History, we are going to be answering the question 'What has happened in my life since I was born?' with a focus on school and Bradley. We will look at the history of our school and Bradley to see how each have changed over time. If you have any old photos of school or Bradley and you're happy to share please send them in.

In English this term we are focusing on writing sentences using the correct punctuation and ensuring our letters are the right size. We will cover different genres of writing including stories, instructions, letters and poetry amongst others.
