

# Fundraising goals

We thought it would be a nice idea to replenish the wet playtime boxes to see everybody through these winter months, so before Christmas each class provided us with a wish list. We bought a variety of games such as Scrabble, Top Trumps, Dobble and Uno and also some arts and crafts resources such as Spirograph, stamping sets and crafting materials

Mr Rogers and the team have also provided us with a wish list and so our fundraising this year hopes to provide the children with:

- Woodwork resources for the DT room
- New Chromebooks for use in all classes
- A Sublime Science interactive lesson for each class to take part in.
- A shed for storage of outdoor resources
- Sand and toys for the sandpit
- Replacement mud kitchen and accessories
- Outdoor drums
- Exploration kits including magnifying glasses and jars
- Binoculars

# Successes so far...

Look at what we've achieved so far. Thank you to you all!

Remember all the money we raise goes towards the school wish list and enables us to provide our children with extra resources and activities.

There is still so much we want to do though so please continue to support us!

Christmas Fair  
(December)

The Christmas Fair was a huge success and everyone seemed to have a great time.

Thank you so much for the donations of cakes (which sold very quickly), chocolate and bottles for the tombolas, all offers of help for the event and for your support on the evening.

Thank you also to Class 5 for arranging and running the games room.

We managed to secure some amazing raffle prizes this year so it was no surprise that this proved extremely popular, raising £600 alone.

Mr Rogers has arranged for the children to create and write thank you cards to the companies who kindly donated prizes.
